English Department continues to modernize

Again, the English Department has expanded to create better courses for the students. The Department drafted a new curriculum, consisting of 38 elective semester courses. This change has captured the interest of many students who used to feel that English was a "Ho-Hum" class. The Department also had the addition of 3 new teachers: Mrs. Powers, Mrs. Williams, and Mr. VanderHayden.

Mrs. McKeever, chairman of the English Department.

Mr. Scott takes a break after a class. *BELOW:* Mr. Dougherty gives to a good cause.

Mrs. Williams, caught off guard during a Drama Class dress rehearsal.

A few Junior High students flock around Mrs. Powers for help.

Mrs. Powers with a Yearbook Advisor.

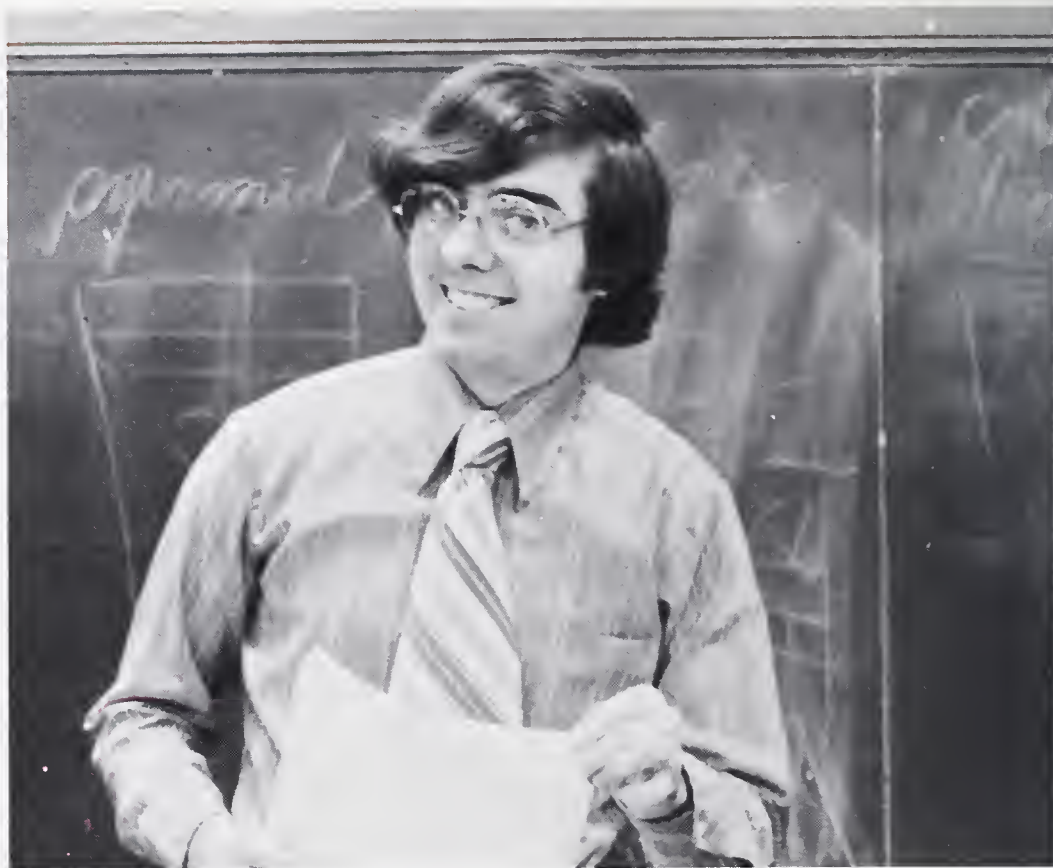

Mr. Dougherty, in deep concentration?

Mrs. Owens enjoys helping students with their grammar problems.

Mr. Brayton, casually issuing a pass.

"Oh come now Mr. VanderHayden!"

"Hey Miss Counterman, Cheese!" *BELOW:* Mrs. Spoolstra reading a good book to her students.

A "fringe benefit" of Short Story Class.

Basic skills learned in Business Department

Mr. Vaughn pauses to answer Dawn Scott's question.

Mrs. Meyerrose, busily correcting typing errors. *BELOW*: Did the "morning gang" crack a funny joke?

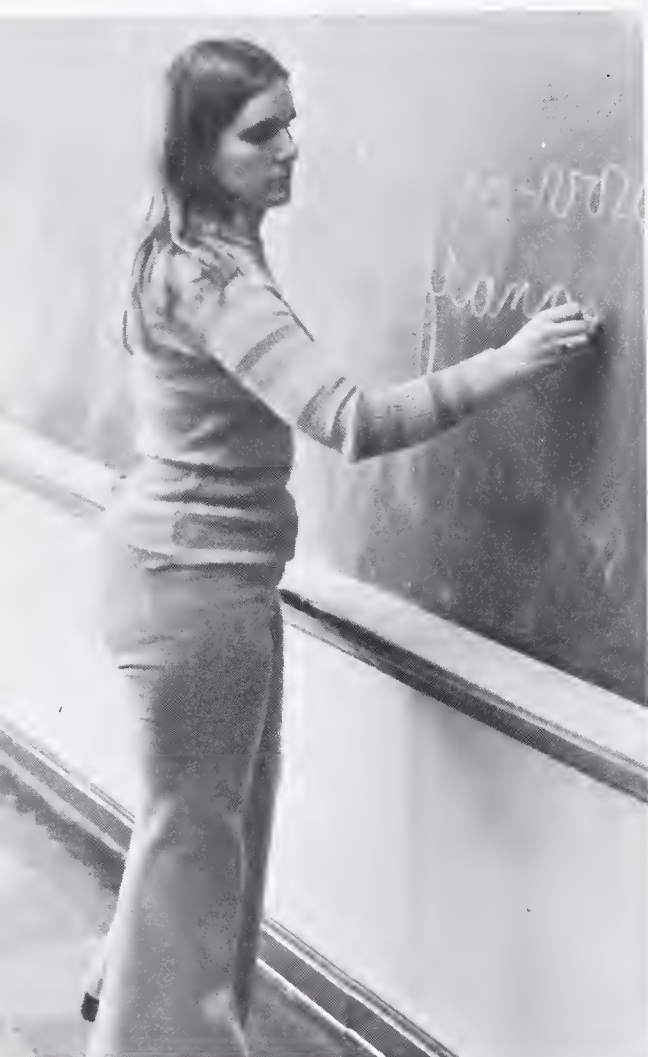

Typing, Shorthand, Accounting, Business Machines, ... these are just a few of the great variety of courses offered in the new Business Curriculum. These courses are excellent to provide adequate knowledge of the "Basic skills of Business."

Mrs. King teaching 7th grade typing. *ABOVE*: Mr. Thalls in a typical mood.

Just listen. Understanding comes in all languages.

TOP LEFT: Mrs. Cook is asking, "Do you speak french?" **ABOVE:** Latin is hard. So, April is getting some help from Mrs. Spoolstra. **BELOW:** Mr. Farver is being his naturally helpful self. **BOTTOM RIGHT:** Mrs. Houlton is always ready to give assistance.

Are you trying to tell us something?

ABOVE: Mrs. Crimmins is checking up on students. *ACROSS:* Mr. Tokarz's class is having an airplane lesson.

MIDDLE LEFT: Mrs. Bendezu is practicing a play with her class. *ABOVE:* Is Mrs. Fulton aiding you Susie? *BOTTOM LEFT:* Mrs. Sisler is working on the attendance.

Why the nation is what it is

"Social studies is the study of man and his institutions in society," says Mr. Fiandt, chairman of the social studies department.

Anthropology, the French Revolution and Napoleonic History, the History of China, and the History of Japan are the new courses added to the social studies curriculum for this year.

Mr. Burnau organized the second annual trip to Washington D.C. for students in the social studies area. The class of 1974 is also hoping for this experience.

The three new rooms built in 301-302 will give the department two records rooms and one new classroom.

Mr. Burnau enjoys his morning paper with his students; Jeff, Reg, and Ron.

Mr. Goodwin appears to be doing homework.

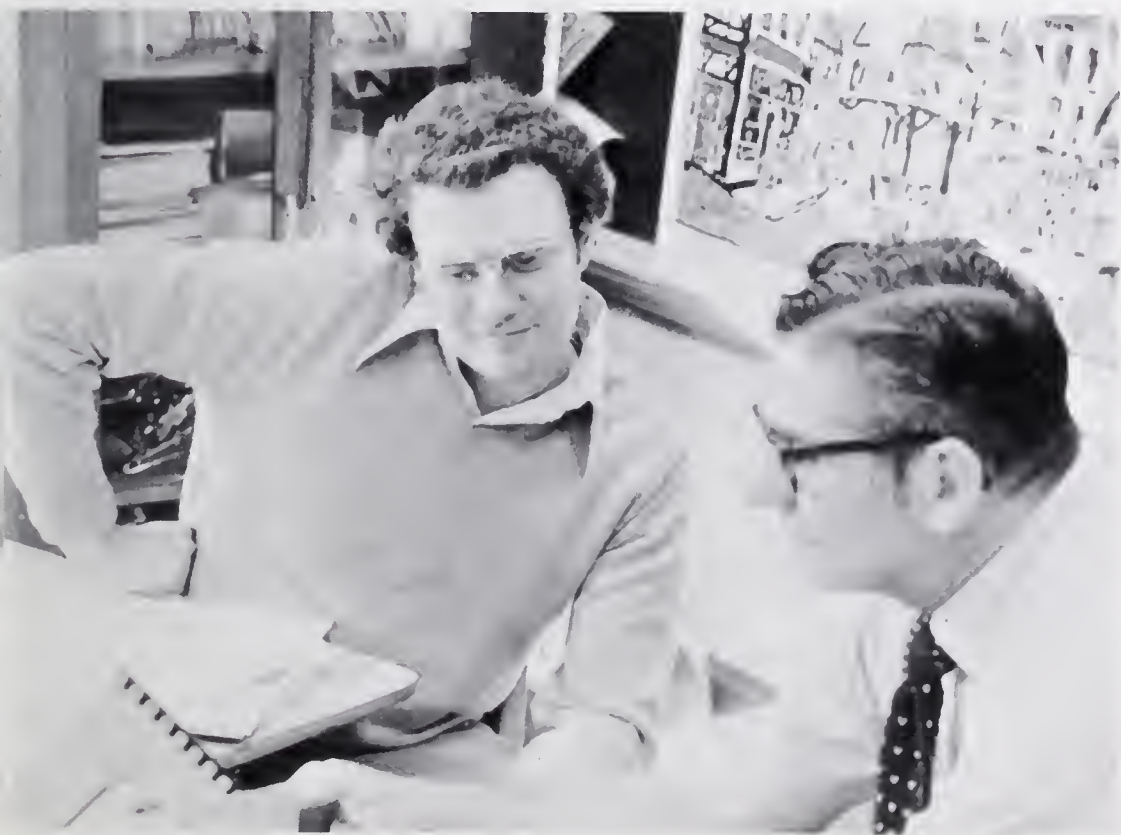

Mr. Simon is taking time out from coaching, wrestling, and teaching to read the newspaper.

Is Mr. Fiandt working hard or hardly working?

Mr. Nesbitt, are you thinking of essay questions for the U.S. History students?

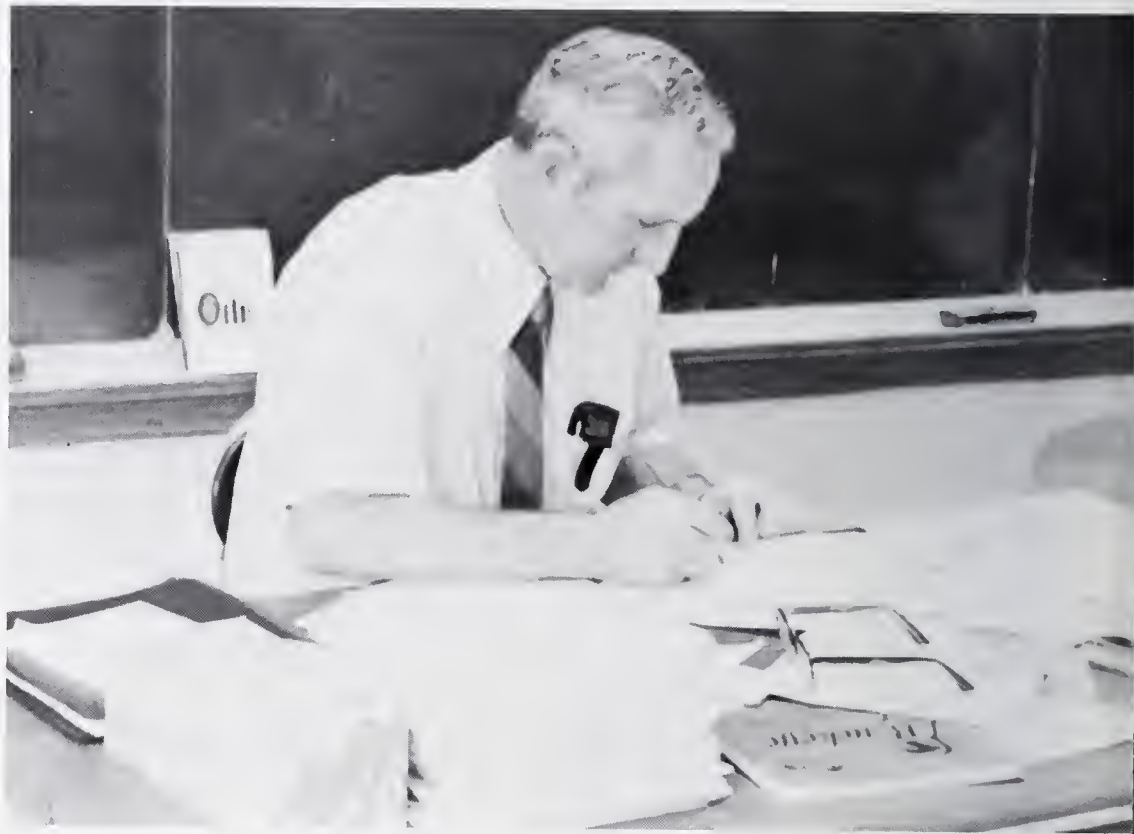

Looks like Mr. Sirk and Mr. Nesbitt are planning a sneak attack on the students.

Math classes strengthen student's ability to think

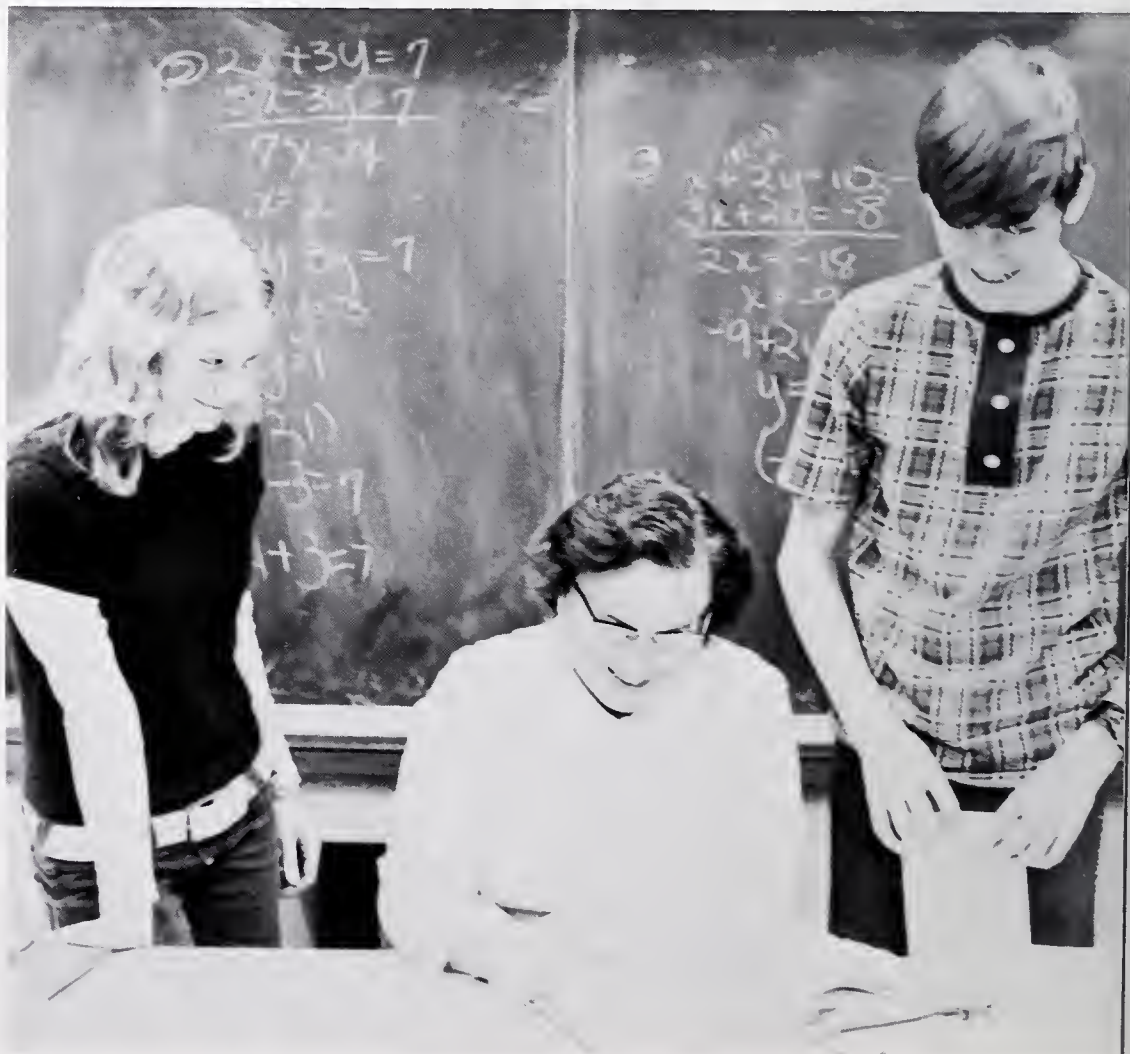

Through homework assignments tests, and discussions, math students at AHS were given the opportunity to increase their ability to think. The Math Department, with Mr. Dygert, Mr. Hammel, Mrs. Boyer, Mrs. Kile, Mrs. Thalls, and Mrs. Schubert offered students a chance to reach their goals in math.

RIGHT: Spark and Jean are smiling with Mrs. Thalls. *ABOVE:* Mrs. Schubert — caught by a camera?

Mr. Hammel is working on stumping his Algebra II and Trig students.

After collecting the homework assignments Mr. Dygert stops to think over a real toughie.

ABOVE: Jr. High teacher, Mrs. Kile is busy recording homework into her math records.

BELOW: Mrs. Boyer is really into some heavy thinking, mathematical thinking of course!

This years Hornet football team had a record of 5 wins and 4 losses. The captains of the Hornet team this year were Mike Wenzel and Todd Bledsoe. This year's most valuable player was Mike Wenzel who set a new record this year by scoring 60 points. John Nilson made the first all conference team. Dennis Mow, Mike Wenzel, and Todd Bledsoe made the third team. Dave Newnam had an honorable mention. Mike Wenzel led the team this year in rushing yardage and receiving yardage. John Nilson most tackles, Dave Newnam kickoff returns, punt returns. Dan Hammel passing yardage. Good Work TEAM!

Football, football, football; a few bruises, a few laughs, disappointment too, but always joy when you are the one who makes it over the goal line and the joy cancels out everything else. While only a few players plunge over that line the dream that you might be the one keeps you going through the tackles, the practices, etc. Is it worth it? Ask a football player.

These pictures show just how hard the Angola Hornets worked this year to try and win each game the best way they knew how.

The cross country team ran fast and hard to win!

Lavon Stomm, this year's team captain, Buzzy Steele and Dennis Kyle were the team leaders. Coach Dygert said they did a great job in encouraging the younger members of the team.

This year's cross country team had to run a bigger course. By a new rule in the I.H.S.A.A. the course had to be increased to 2 ½ miles. On the new course Dennis Kyle set a new record of 12:51.

Cross country team: 1st. ROW: Frank Kahn, Lavon Stomm, John Carney, Reed Steele, Alex Kyle, 2nd. ROW: Coach

Dygert, George Porter, Gary Martin, Dennis Kyle, Gene Steele, Reginald Steele, Ron Harter.

This year's team put all they had into winning, and it paid off!

Feet pounding the track, faces set, the boys ran on to win.

This years Harriers had their work cut out for them. They had to overcome the inexperience of the team. Next year let's help the Harriers have a fantastic season.

Hornets pass and shoot their way to victory.

This year's basketball team improved to a great extent. While they only won eight games, this is more than any other Hornet basketball team has won since 1964 — nine long years. This year's team won two consecutive games two times this season. This is the first time since January 1967 that this has happened.

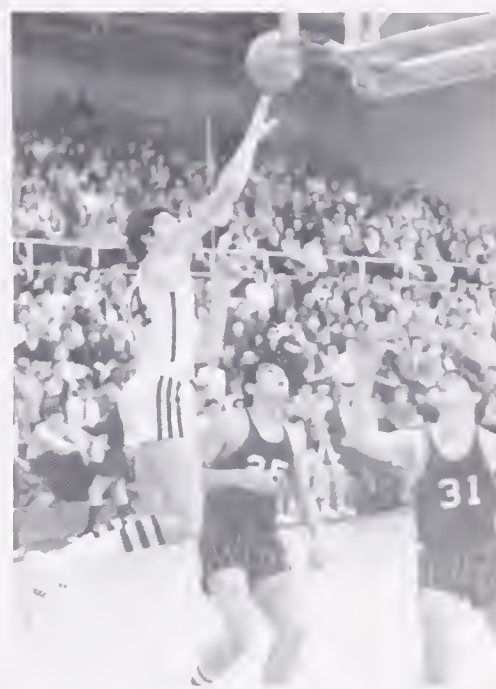

Special recognition should be given to Karl Beer and Dave Newnam, both juniors. They both made the All-Conference second team. Dave averaged 18 points per game. Karl averaged 13.5 rebounds per game and 14.4 points.

The determination shown on the faces in these pictures shows how hard the team tried this year. It isn't easy to try your hardest every Friday and Saturday night and have very few people there to cheer you on. If you want our team to keep up the good work, go and support them.

B-team, fresh. squads faced a tough season.

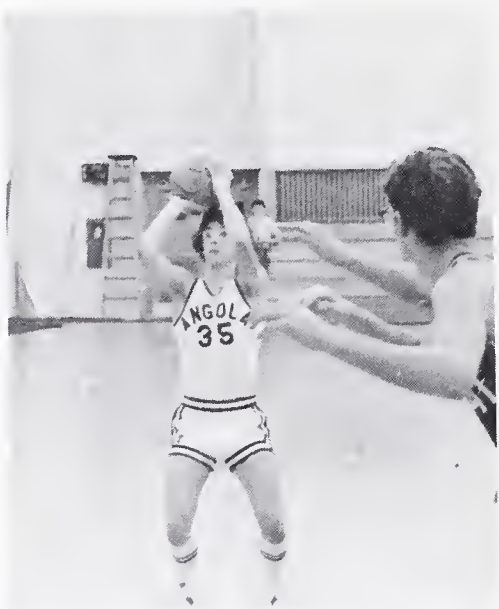

The B-Team had a 6-14 season this year. Coach Maugherman is quoted as saying, "The team worked very hard and never gave up."

Jack Wetzel was leading scorer with 149 points. Jack also led the team in rebounds with 129 rebounds. Mike Peterman was the assist leader with 44 assists to his credit. All the team needs now is more school spirit to really have a winning season.

B-Team: 1st. ROW (L-R), Dave Deller, Craig Ralston, Mike Peterman, Ken Yates.

2nd. ROW, Chuck Cooper, Jack Wetzel, Bruce Hull, Ken Peterman, Jeff Newnam, Jeff Willis.

This years freshman team, coached by Mr. Thompson, won six games and lost eleven. The higher scorers on the team were Joe Bowerman, Tom Simons, and Bill Stackhouse.

The freshman team gained much needed experience and all the boys progressed in their ability. Next year all the boys should be able to play much better basketball.

The Angola grapplers had a 5-5 record this year. The team captains this year were John Nilson and Al Fanning. John Nilson was the Most Valuable Player. Special recognition should be given to John Nilson, who had a 15-2 record, Barney Bryan, who had a 15-4 record, and Al Fanning with a 15-4 record. Next year, with the experience gained this year, the team should be even better.

John Nilson, co-captain of this year's wrestling team, looks prepared for another win. He really put the team together and was voted Most Valuable Player with a 15-2 record. His wrestling techniques won him a first in All Conference and a first in Sectional.

With hard work and in one year of competition, the Angola High School tennis team has been outstanding on the tennis courts. Their three wins and two losses show that they are able and ready to take on the most renowned challengers.

Anthony Bal and Bill Wilder each took honors in the sectional. They won two matches in sectional before losing to number one seeded doubles team.

Rich Hill in the singles also did a good job. He was undefeated in dual singles.

The team, headed by Coach Tony Wright, practices and is willing to take advice.

The forecast for next year is a strong team. This is because only one senior, Toff Hill, is being lost through graduation.

FRONT ROW: Craig Clark, Richard Hill, Anthony Bal. BACK ROW: Coach, Mr. Tony Wright, Toff Hill, Eric Trier, and Bill Wilder. The above all contributed greatly to this year's tennis team.

Coach Nesbitt, team captain Bill Fee, lead Angola's gymnastics team to great team record in '73

With Coach Nesbitt at the head, this year's Angola High School gymnastic team completed their season with the finest won and lost record in the past ten years for the whole team. The fine record was a total of nine wins with only three losses.

The team which was composed of poise, determination, and young, hard working team members was headed by Captain Bill Fee, the only 1972-73 senior on the team. Ron Wenzel, the year's Most Valuable Player and the 1973-74 captain, also was a great asset to the team. Ron at the state completion placed eleventh on the trampoline.

With up and coming junior high students and the loss of only one senior team member, Mr. Nesbitt is looking forward to '74.

The Hornets prove to have a successful season

The Hornet Baseball Team finished the regular season with a record of twelve wins and ten losses. The team captains were Tom Sanborn and Jim Guthier. A good deal of appreciation and recognition should go to the Hornets for a well-played season.

Golfers tee off for victory

This year's golf team worked hard for a good season. With an incomplete season their record was 5-9 with one tie. They placed 9th in the NEICA conference.

From a field of fine golfers Rolla Frisinger was chosen as Most Valuable Player. The team lost many good golfers through graduation but many under-graduates have gained much valuable experience this year.

M.V.P's and cheerleaders bring out the best of Angola sports . . .

Most valuable player on this year's golf team was Rolla Frisinger. Rolla was the team member who had the lowest average so he won the M.V.P. award.

Most valuable player on the gymnastics team is Ron Wenzel. Ron was the only Angola sportsman to go to state. Next year Ron will be captain.

Most valuable player in basketball is Karl Beer. Karl was the leading rebounder and the second highest scorer on the team. Good work Karl!!

Most valuable player on the cross country team is Dennis Kyle. Dennis set a new cross country record with 12:51 for two and a half miles.

Most valuable player on this year's tennis team is Richard Hill. Richard had an outstanding record of eight wins and only one loss.

Most valuable player on the football team is Mike Wenzel. Mike set a new record with scoring 60 points. Mike also made the 3rd. conference team.

Most valuable player on the wrestling team is John Nilson. John placed first in the sectional and then went on to place third in the regional.

Most valuable player on the track team is Buzzy Steele. Buzzy set a new record for the two mile run. The track team has lost a great cinderman.

The word cheerleader is defined in the dictionary as one who calls and organizes cheers. What it really means is hours of work after school, riding fan busses for hours on end, and being blamed for poor school spirit. Cheerleading also means happiness when *your* team wins.

Sports are very important to any school and our school is no exception. This year for the first time in many years Angola successfully competed in many sports.

Cheerleaders were the driving force behind many of Angola's wins. The varsity cheerleaders this year put many long hours into practicing and helping to cheer on the team. The varsity cheerleaders this year were Jan Hall, a junior, Julie Maugherman, a junior, Robin Bush a junior and Renee Beard, a senior.

This year's B-team cheerleaders were Karen McKeever, a sophomore; Susan Tilbury, a junior; Jackie Straw, a sophomore; and Chelle Dygert, a sophomore. These girls really worked hard to get the school involved in the B-team games. Too bad the school wouldn't help them out.

This year's freshmen cheerleaders were Nancy Osborne, Sue Yates, Rosanne Willig and Jeannie Fulton. These freshmen girls worked many hours after school in order to practice stunts and learn new cheers. Their efforts were greatly appreciated by the school and the team.

Special recognition should be given to the only senior on the varsity cheerleading squad. Renee Beard has been a cheerleader since sixth grade. Renee has worked perhaps the hardest of any cheerleader plus she fit in many other school activities. Everyone will miss her.

Here Julie Maugherman and Robin Bush look as if they are really studying something. Maybe they are trying to figure out how to get our school to cheer. Let's hope that next year the answer will be found.

Student Council makes school year a success.

The Student Council had a hard time putting over the Mini-Course Day this year. When a large portion of the student body fails to respond to a program of this sort in such large numbers, maybe students just don't care enough.

This year's programs brought in by the Student Council were better this year than in past years, this being just a part of the work the Student Council does.

The Student Body Elections woke-up a few students; enough to make a good race. Tony Senneville and Mary Sheets ran for Student Body President and Dan Hammel and Daryl Shock ran for Vice-President. In the end, Mary and Dan got the vote.

President Martha Sheets guides Y-Teens in 1973

The Angola Y-Teens were busy again this year. Students taking on assignments kept the all girl's club hopping.

To begin the year, the Y-Teens club initiated all the incoming members. This was done at an evening meeting with the officers in charge.

Next, came the annual Christmas cookie sales. Girls, sponsors, and a few helping mothers met several times in the high school cafeteria. The sales were again very successful with over two thousand pounds of cookies sold.

During January and February the club staged a clothing drive for those people in the Appalachian Mountain area. Boxes for clothing were placed in the high school and the three elementary schools.

To round out the 1972-1973 school year, another annual event was held. This was the Pa-Ma-Me Banquet. The theme was "I Am Woman" which set the student's creative minds to work. Also, the underclassmen sponsored the Senior Swing-Out for all Y-Teen seniors.

Lettermen honor athletes for outstanding performances

The Lettermans Club kept its members busy with money-making projects and their annual athletic banquet. The first project was a dunking booth where frustrated students saw their favorite teachers drenched. A stereo unit was raffled off at a basketball game and was won by Mr. Thalls.

The highlight of the year involved the athletic banquet where all athletes were honored, especially the most valuable player in each sport.

Pep Club tries to revive dwindling spirit.

The Varsity Cheerleaders combined brawn with spirit for a special number for the basketball team.

Pep Club Officers: Pam VanWagner, Pres.; Karen Penick, V. Pres.; Deb Olis, Sec.; Kim Straw, Treas.; Mary Sheets, Rept.; and Miss Counterman, Sponsor.

The Angola High School Pep Club was in the process of reviving the school spirit that has been dwindling in the past few years.

Along with the sports teams, the students of AHS are slowly beginning to become aware of the athletic department. The members of the Pep Club and the Cheerleaders made locker signs for the athletes, organized pep sessions and awarded a trophy to the girl who displayed the most school spirit during a home game. An important part of the improved Pep Club was their new sponsor, Miss Counterman.

Varsity Cheerleader Renee Beard was honored with roses at the last home basketball game for her six years of service in cheerleading.

Each member of the Pep Club was responsible for making a vest which members wore at all games.

We learn to communicate in all different ways

Learning to speak is a big jump for any child. Learning how to speak in a new language is also a great step in a person's life.

In Angola High School students have the chance to learn French, German, Spanish, and Latin. Each of these languages sponsors a club to go beyond what is taught in the classrooms. The members of these clubs learn about the culture and the people of the country where their language is spoken.

In our school we have German club, Spanish club, Latin club, and French club. German club is sponsored by Miss Grubb.

Key Staff comes through with new ideas and attractions.

Many new attractions were added to and for the 1972-73 KEY during the year. Selected students from any grade level were assisted by a new sponsor, Mrs. Powers.

A new format for selling the KEY was designed with down-payments. Another new idea was the cover contest and the winner received a free KEY.

Many new members were added to make the finished product a new and better production.

Plan for the future with FFA, FHA, and FTA

A new club joined the ranks of FHA and FTA, Future Farmers of America. In cooperation with the Agriculture classes, the FFA seeks to bring agriculture closer to the student and build character.

The FHA organization centered its activities around many money-making projects. The club centered attention on the sale of Hornet pennants and the sale of raffle tickets, with the prize, a set of radio ear-phones.

The FTA gave some of its members the chance to help elementary teachers in their spare time for those who were not enrolled in the Exploratory Teaching program. An art workshop directed by Francis Ramsey gave FTA members and teachers the opportunity to bring new innovations into the elementary art program. These activities were carried out in coordination with the club's normal activities.

It's a small world when Disney Land comes to AHS

The vocal department, under Miss Siebold, found a theme well worth singing about in Disney Land. Mood music for a visit through Disney Land was the final concert for the '72-'73 season and as in years past, Miss Siebold carried the theme through well.

The choir's other major performances included the Christmas concert, this year combining major art works by John Bower and music for the holidays. A combination choir and band concert was held in Feb. in which the two groups' finale consisted of two combination band and choir numbers.

The townspeople and students always enjoy the choir and wish Miss Siebold and her group success in the coming years.

A salute to the American flag begins every home varsity basketball game with Susan Johnson in charge of the flag.

A combination of seniors and a sophomore blended their voices to organize this barbershop quartet to perform at the Christmas concert.

A full range of musical activities is offered by the AHS music department, from rock to classical music.

The school's orchestra, under Mr. Nichols keeps alive classical music as well as some more modern suites and compositions. For the first time ever, the orchestra presented a Sunday coffee concert which included some of the younger string players and older members.

Swingals keep the pop tunes alive with their renditions of the songs of the present. In the hands of Miss Siebold, the Swingals appeared on the program of several community organizations and performed at the Christmas and spring concerts.

Mrs. Frisinger and the AHS Featuettes filled their year with contests, practices and performances. Accompanied by Mr. Frisinger and the Pep Band, the pom pon corp places 1st in their class and duely earned their trophy and the right to be extremely proud of their accomplishments.

Several other groups organized this year, namely the sophomore trio accompanied by D. Koomler, and the Un-Band, a potpourri of instrumentalists.

Mr. Frisinger and the Pep Band work long and hard to perfect numbers for contests and half-time shows.

Gary Lewis, in addition to regular band duties, represented AHS in the state contest.

After five frustrating days at band camp, Mr. Frisinger "Gets his" with shaving cream and a dip in the lake.

A bandsman crawls into the bus which will take the band to the NISBOVA contest.

FRONT ROW: J. Wells, C. Haugh, M. Wattson, G. Holcomb, B. Bruner, D. Eyster, L. Fulton. *2nd ROW:* L. Bassett, P. Wetzel, R. Clausen, D. Kratz, J. Canan, S. Schmidt, J. Carney, P. Oberlin, T. In a portion of the show the band formed an hourglass and played "Sunrise, Sunset."

Angola music lovers faithfully attend the music programs presented by the AHS bands and choirs.

A highly polished organization brought home a first in inspection and a trophy for one of the best inspected bands in their class at NISBOVA.

Tom Sell (ABOVE) and Mr. Frisinger (RIGHT) combined their talents to make a winning marching band.

It's trophy time for AHS bands.

This year's marching and concert bands had one of the best years since many of the present students can remember.

Success began at the annual band camp at Oliver Lake. When band camp was over, the band was beginning to get in shape.

The NISBOVA marching contest was a success no one will forget; the 1st rating, 1st in inspection, and the super-prize, sweepstakes in their class were almost too much.

Mr. Frisinger and the concert band again represented AHS in a NISBOVA contest, this time the concert band contest. The band again brought home a first rating for their performance plus a more experienced group of musicians.

"The Voice of the Band," better known as Mr. Vaughn, introduced the band.

Students offer their services as assistants.

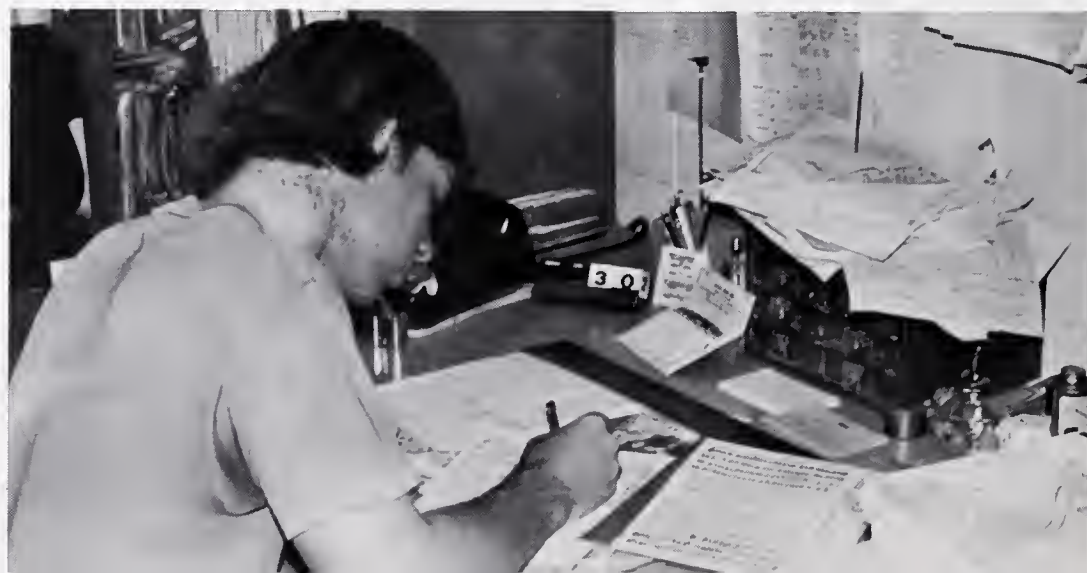

Mr. Brayton's assistant this year was Gina Fisher shown here. Gina graded papers and helped Mr. Brayton teach reading to his students.

Mike Clancy was an assistant to Mrs. Cook this year. Here he concentrates on the buttons of the language lab key board.

Assistants not pictured: ENGLISH DEPT.: Joni Crimmins, Chelle Dygert, Jim Guthier, Doug Hoffman, Lonnie Lonsbury, Ken McCormick, Karen McKeever, Dave Newnam, Jeff Newman, Vicky Nix, Jan Richards, Jerri Richards, Bill Wilder; HOME EC. Jerry Clancy assisted the auto mechanics department. He was kept busy, but enjoyed his work.

Debbie Coney performed many jobs this year, helping out the science department a great deal. Here she grades papers.

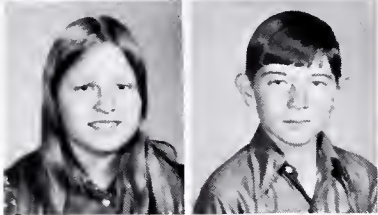

Helping the drafting department was Vince Clark. Grading and recording were just a couple of his many jobs.

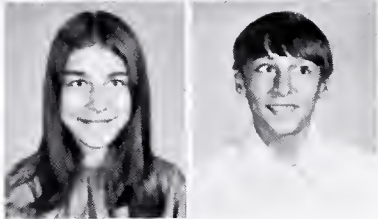

Happiness is growing-up in the eighth grade.

Potpourri of activities for the junior high

Eighth grade cheerleaders. Heidi Bowerman, Kelley Carney, Kathy Hutchins, and Becky Mick. Seventh Grade: Jean Schmucker, Julie Simons, Karen Kelley, and Joan Schmucker.

The seventh grade football team had a tough season this year, but gained knowledge in the art of football and teamwork.

The many facets of Junior High sports is represented in the faces of the track team, Mr. Scott, and the young but eager gymnastics team.

The eighth grade class went to the Montpelier skating rink for a night of skating fun.

It's those important shots and great rebounding that make the game for the seventh grade basketball team.

Junior high activity day, high light of

This year the junior high also had an activity day. On March 23 the excited seventh and eighth graders burst into their various classes dying to do something the high school wasn't.

The student council and the class officers worked hard to get this day around for the junior high and classes such as macrame, guitar lessons, chess tournaments, and art classes were offered.

Perhaps next year the junior high will lend some of their excitement and eagerness to the high school.

A school year finished . . .

A step of life completed

Remarks . . .

All good things must come to an end. True. For many, the end of a school year is at hand; for others it is the end of a step of life; but for both it can also mean the beginning.

The memories of 1973 must live on. The knowledge gained and the skills acquired must be cherished. It has been our sincere desire as a yearbook staff to capture for you, the reader, the many reflections and memories of this past year of '73. If we, in the years to come, can bring a smile to your face, a laugh in your heart, or a tear to your eye, while you are holding this book reflecting and imagining, we feel we have succeeded in our endeavor.

I would like to thank sincerely Mrs. Powers our sponsor, who had so much patience with us, yet the firmness to help us complete this book. My special thanks goes to Renee, my assistant editor, without whom the task of preparing the Key would have been too great. Thanks to you staff, your hard work is greatly appreciated.

As a staff we would like to thank our business patrons and community, our Administration, and you the reader, for without you and your activities, we would have no need of the 1973 KEY.

Sincerely,

Brad Moore
Editor in Chief
